### **If you could go anywhere in the world, where would you go and why?**

Saint Tropez, it's a beautiful destination on the French Riviera, surrounded by endless white sandy beaches and has a rich collection of modern art. I would love to be able to enjoy Saint Tropez and its hip & upscale city to kick back and enjoy life.

### **If you could be on the cover of any magazine, which one would it be and why would you be on the cover?**

Vogue because the magazine embodies Fashion and Lifestyle! I would be on the cover due to my latest contribution to fashion industry as a fresh face in fashion innovation.
