If you could go anywhere in the world, where would you go and why?

Phuket, Thailand. It is supposed to be extremely beautiful there. I once had a case assignment on hotels in Phuket and fell in love with it. The weather is warm and sunny and I love the heat so it would be perfect for me.

If you could be on the cover of any magazine, which one would it be and why would you be on the cover?

Bazaar. I love fashion and this magazine is the epitome of high fashion throughout the world.
