quote: "All great achievements require time."

**If you could go anywhere in the world, where would you go and why?**

I always wanted to visit Egypt since I was a young girl. I think the architect and history of Egypt is amazing.

**If you could be on the cover of any magazine, which one would it be and why would you be on the cover?**

Vogue magazine. The reason I would be on the cover is because I'm famous in the fashion industry and many top designers recommended me to be on the cover.
