If you could go anywhere in the world, where would you go and why?

South Africa. The country has so much culture and history that is often overlooked & forgotten by those outside of it. I hope that I can make the trip for World Cup 2010, hosted by South Africa.

If you could be on the cover of any magazine, which one would it be and why would you be on the cover?

Businessweek. Although it has lost some of its prestige in the business world, it is still widely popular. It's quick to pick up on the latest trends & successes even outside the world of finance.
