If you could go anywhere in the world, where would you go and why?

Paris as it has a rich culture, it is the fashion capital of the world and I have heard it's absolutely gorgeous. I love seeing how new trends come and go into the market and I enjoy shopping tremendously. Also, I have never been there!

If you could be on the cover of any magazine, which one would it be and why would you be on the cover?

Cosmopolitan as it's a magazine that stands for fun fearless females who want to be the best they can be in all aspects of their lives. This magazine provides insight into women's careers, fashion, beauty and romance which are aspects important to most women of today.
