- quote: "Loved by some, Hated by others, but never IGNORED."

If you could go anywhere in the world, where would you go and why?

Philippines because my mother is from there and I have always had the passion to see where she had grown up.

If you could be on the cover of any magazine, which one would it be and why would you be on the cover?

Time magazine because I believe it's one of the most recognized magazines in the world and if I was able to be on the cover I could have the sense that I had accomplished something great.
