### If you could go anywhere in the world, where would you go and why?

Egypt because while it has many metropolitan areas including the largest city in Africa, it still fosters a strong presence of its ancient heritage.

### If you could be on the cover of any magazine, which one would it be and why would you be on the cover?

Hispanic Business magazine because of my success in my career but also for the work I would do with the Latino community in the U.S. I hope to begin a non-profit organization some day that focuses on Latino Youth and preferably work to expand it as a national organization.
