quote: "Smile, and the whole world smiles with you."

If you could go anywhere in the world, where would you go and why?

Greece; it's a beautiful country with a fascinating history and islands to explore. I'd also get to experience the culture and eat some of my favorite foods every day.

If you could be on the cover of any magazine, which one would it be and why would you be on the cover?

New Yorker. Although their covers are often illustrations, I'd be in the magazine because I wrote a story that was worthy of a publication. A girl can dream, right?
