If you could go anywhere in the world, where would you go and why?

Dubai because it is one of the worlds' most resourceful and economically stable countries. I would love to see how the people of Dubai live and experience some of the luxuries.

If you could be on the cover of any magazine, which one would it be and why would you be on the cover?

Forbes magazine because I plan to be a successful business woman in the future. I want to be known as one of the wealthiest business women in the world.
